

Dear Member,

Once again it is time for membership renewal. I would like to thank everyone for participating in the club this year and encourage each of you to continue, or become more active in the upcoming year. We would like to continue to expand our activities for our dogs as well as the dog community as a whole. Through educational activities that the club sponsors we can expand member's knowledge and enhance everyone's Bouvier experience.

Along with your membership renewal form, we are asking that you consider a donation to the trophy fund for our regional Specialty. Other than the judges, the trophies are our largest budgetary expense. Due to the wonderful support of our members we have been able to have National quality awards. With continued member support we will be able to maintain that level of quality. When you renew your membership, please consider a donation to the trophy fund. You can contribute to a specific trophy, in memory or honor of a specific dog or person or the general fund. Please see other side of the form for the list and indicate your preference. Preferences will be taken on a first come, first served basis and information will be updated in the newsletter and website. As always donations to Rescue are also welcome.
